Join Dr. Hilary Back's Three-week
Liver/cellular Detoxification Program

Whether you suffer from fatigue, weight gain, gas, bloating, heart burn, constipation, diarrhea, food allergies and sensitivities, poor memory, skin conditions, acne, mood disorders, PMS, painful periods, addictions, headaches, chronic sinus problems, joint pain etc., and the detoxification program can help. Common results of detoxification are better digestion, weight loss, clearer skin, fewer allergy symptoms, improved immune system and aid with seasonal changes.

"I did Dr. Hilary Back's detox program in 2002 and eliminated symptoms of high blood pressure, high cholesterol levels, esophageal spasms, acid reflux and obesity; I lost 43 pounds over four months. Since the detox, I am no longer taking any prescription medicines."
Becky Stone, Rifle CO.
